

5 REASONS GLOBAL AVAILABILITY IS THE NEW IT SUPERPOWER

Discover how global continuity can help you overcome your greatest IT challenges.

Fewer than 1 in 4 employees

say they are equipped with seamless technology.¹

CONNECTIVITY

91% of workers want to be more connected to their peers.²

Logitech solutions, certified for Microsoft Teams, ensure people stay connected across continents.

SYDNEY

PRODUCTIVITY

Logitech's business-grade headsets and earbuds are readily available from any location, with multiple channels for procurement, to ensure workers are focused and productive. Logitech **global services** help IT leaders provide immediate support tailored to the user's location, minimizing downtime and interruptions.

85% of on-the-go professionals say their productivity has suffered due to audio issues.³

SHANGHAI

MOBILITY

48% of tech leaders say they struggle with communication solutions for their mobile workers.⁴

Logitech is ready wherever your users are with solutions to make their mobile work comfortable and productive. Your users will have a consistent, reliable experience, wherever they work.

CHICAGO

SUSTAINABILITY

90% of executives believe sustainability is important.⁵

Nearly two-thirds of Logitech products now use next-life plastics. Over 50% of products introduced in 2023 have FSC®-certified packaging.⁶ Logitech earned the 2023 CDP Leadership Ranking for Climate Change.⁷

RIO DE JANEIRO

Logitech is rated in the top 1% of sustainable companies by EcoVadis and in the top 8% of companies on the CDP Supplier Engagement Leaderboard.

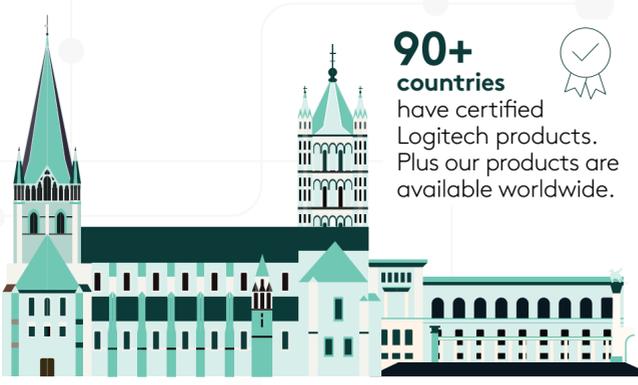

DEPENDABILITY

90+ countries have certified Logitech products. Plus our products are available worldwide.

Wherever your workers are, Logitech is available with solutions and support. As a Swiss company with over 40 years of experience, Logitech has built global partnerships, a rock-solid supply chain, and full support services.

We ensure your users are always up and running with innovative products and services so they can do their best work — anywhere.

LAUSANNE

Wherever work happens, Logitech is there. Explore the possibilities when location is no longer an obstacle.
